

Basic Custodial Technician Training Certification

The Job

Entry level cleaning jobs with a variety of employers such as hospitals, schools, and hotels. If you have multiple years of custodial experience, a custodial certificate would qualify you for a higher position.

Expected Salary

\$11.80 - \$13/hour for entry-level jobs. Jobs requiring experience pay \$16 - \$22/hr.

The Program

The **Custodial Technician Training Certification** program covers the basics of janitorial daily cleaning in six modules as set out by the **Cleaning Management Institute and ISSA**. The certificate is a relatively new offering that aims to raise industry sanitation standards. Many well-known institutions require all their custodians to complete certification upon employment. Examples of these are: The University of Tennessee, The Smithsonian Institute, John Hopkins's Hospital, and the U.S. Department of Justice.

The course also includes **soft skills training** and **job development support**. Soft skills are covered during class time and include: teamwork, personality strengths, communication, networking, problem solving, professionalism, organizing and planning. Job development occurs during workshops. Cleaning during Covid-19 is also covered. Instructors also use a needs-based approach and cover topics such as: resume and cover letter writing, job search skills, interview preparation, and job fairs.

Duration: 6 weeks

When: **Classes begin on January 18, 2020.** Class times are Mondays, Tuesdays, Wednesdays, and Thursdays from 9:30 am to 12:30 pm. Individual meetings with students are held as needed.
