Are you passionate about helping others?

Cayuga Centers is seeking Direct Support Professionals (DSP) who like to have fun, help others learn and participate in their community. You will help individuals with intellectual and developmental disabilities plan and enjoy meaningful activities that build skills and engagement.

Because our workforce is our most valuable asset, we invest more resources in staff compensation than any other human service provider in our region. DSP hourly rates start at \$15.40 - \$16.40 per hour based on high school degree to bachelor's degrees. Additional \$1 - \$2/hour increases available based on experience working with I/DD populations.

Your week can include:

- › Accompanying individuals to local parks
- › Assisting in a photography lesson, crafts, or gardening
- › Supporting individuals who need help eating or using the restroom
- › Coaching sport and recreational activities
- › Taking a small group of people shopping
- › Teaching money management, stranger danger, and other life skills
- › Teaching and participating in computer games
- › Helping someone take his/her medication
- › Teaching cooking skills
- › Helping individuals arrange and deliver flowers
- › Supporting volunteer opportunities
- › Transporting individuals
- › Learning new skills and strategies to support the individuals we serve
- › Documenting your good work
- › Being part of a great team!

As a full time benefits position, staff is eligible to enroll in medical, dental, vision, FSA, supplemental life insurance, critical illness, enhanced short-term disability, and 401(k) benefits.

EOE. We maintain a drug-free workplace and perform pre-employment drug testing.
