OCWA Title: Maintenance Mechanic

(Civil Service job # [60170](#))

Job type

Full time, Non-exempt, non-Competitive

Compensation: \$28.38 per hour

Summary

OCWA – Central New York's Water Authority is currently seeking candidates for Maintenance Mechanic to join our Otisco Water Treatment Plant Department in Marcellus NY. The work involves responsibility for skilled level work in a variety of maintenance and repair tasks in one or more trades. Under general supervision, this employee is called upon to perform installation, maintenance and repair work involving electrical, plumbing, and steam fitting trades. The maintenance mechanic may devise their own methods for accomplishing assigned tasks and may work independently or in groups according to the job assigned. All work is subject to review through inspection in progress or upon completion by a superior. Certain assignments made to employees in this class will require reasonable access to transportation to meet field work requirements made in the ordinary course of business in a timely and efficient manner.

Minimum Qualifications

Five (5) years of journey level experience in *plumbing, heating or electrical work.

*NOTE: Experience in the maintenance and repair of pumps, piping, valves and related appurtenances within a water system is considered as qualifying plumbing experience for this position.

How to Apply

To apply please visit www.ocwa.org and fill out the general employment application. Applications will be reviewed until the position is filled.

OCWA is a civil service agency under the jurisdiction of the Onondaga County Personnel Department. Hiring is in accordance with Onondaga County and New York State civil service regulations. For full job specification and more information about civil service please visit www.ongov.net/employment/.
