OCWA Title: Water Plant Operator (Type A Plant)

(Civil Service job [61710](#))

Job type

Full time, Non-exempt, competitive, Provisional*

Compensation: Hourly rate \$26.34

Summary

OCWA – Central New York's Water Authority is currently seeking candidates for Water Plant Operator to join our Otisco Water Treatment Plant in Marcellus NY. The work involves responsibility for the operation of and assisting in the routine maintenance of a Type A water treatment plant during an assigned shift. Under supervision, an employee in this class performs routine technical work for the proper control, operation and maintenance of a Type A water plant in a public water supply system. The work is performed under general supervision of an operator qualified to be in charge of the operation of the plant.

Minimum Qualifications

- A. Graduation from high school with a New York State Regents Diploma with Advanced Designation in a STEM Pathway of either mathematics or science, or;
- B. Graduation from high school with a New York State Regents Diploma **and** twelve (12) credit hours in biology, chemistry or physics from a regionally accredited college or university or one accredited by the New York State Board of Regents to grant degrees.

How to Apply

To apply please visit www.ocwa.org and fill out the general employment application. Applications will be reviewed until the position is filled.

OCWA is a civil service agency under the jurisdiction of the Onondaga County Personnel Department. Hiring is in accordance with Onondaga County and New York State civil service regulations. For full job specification and more information about civil service please visit www.ongov.net/employment/.

*In the absence of a valid list, hiring will be done provisionally and in accordance with Civil Service guidelines. The successful candidate will be required to take the Water Plant Operator examination, when scheduled, and must score among the top three highest scoring individuals taking the examination to retain their position.
